Graduated magna cum laude in May 2024 from the University of Colorado at Boulder with a Bachelor of Science in Creative Technology and Design, specializing in Computer Science. I have honed my skills in design, programming, and physical computing, complemented by strong leadership and communication abilities. I excel at developing innovative website designs to enhance user experiences, and my passion lies in bringing a creative and fresh perspective to every project I undertake.

EDUCATION

University of Colorado at Boulder

Bachelor of Science Creative Technology Design

Boulder, Colorado

GPA: 3.79

EXPERIENCE

Navidar LLC

Analyst

Austin, TX

June 2020- January 2023

- Spearheaded compliance, admin, operations, and accounting tasks, ensuring regulatory adherence and efficient workflow.
- Led data compilation for year-end financial audits, conducting in-depth analysis and review of monthly financial statements, contributing to accurate financial reporting and strategic decision-making.
- Conducted extensive research and market assessments, enhancing valuation models and corporate development strategies.

Veta Nell

Creative Director + Project Manager

Austin, TX

June 2021- January 2023

Project Manager (Summer 2021):

- Directed interns in data collection and market research, fostering a collaborative and efficient working environment.
- Cultivated and managed key manufacturer relationships, optimizing the Point of Sale (POS) retail system for enhanced brand visibility and operational efficiency.

Creative Director: (09/21 - 01/23):

- Designed product mockups and packaging using Adobe Suite, to align with brand aesthetics and market preferences.
- Built website wireframes and prototypes in Figma.
- Drove product research, design, and development initiatives with manufacturers, resulting in a successful product launch.

University of Colorado at Boulder
